ANGEL Grant Seeker Groups

Members of the E&H community have a new resource for grant information. Anyone interested in writing a proposal can find guidance in ANGEL in the News, Notes and Deadlines group or in the Grant Seeker group.

The News, Notes and Deadlines group contains newsletters with information about Requests for Proposals. The Grant Seeker group includes up-to-date forms, E&H grant seeking procedures, tips for writing effective proposals and copies of proposals that have been submitted for funding.

To enroll in either of the groups:

1. Log in to your ANGEL account
2. Click on “Find a Group”
3. Search on last name Vernon
4. Click on “Enroll by PIN”
5. Enter the PIN (this is the password needed to enter this group).

To get the PIN to enroll in either of these groups contact Leann Vernon at x6125 or at lvernon@ehc.edu.

E&H Grant Proposals

Several proposals have been submitted for projects recently, including:

- The US Department of Education Fund for the Improvement of Post-Secondary Education is considering a request for $400,936 to fund The Rural PLACES Initiative in the Appalachian Center for Community Service.
- LI-COR Biosciences is considering a request of $47,602 for their Genomics Education Matching Fund Proposal.
- The National Science Foundation is considering a request of $41,425 for their DMS-Algebra and Number Theory RFP.
